TELSTAR TO HOST STATE "B" SKIING CHAMPIONSHIP

WEDNESDAY-SATURDAY, FEB. 23-24

Telstar Regional High School will be host to the State Class "B" Skiing Championships to be held Wednesday, Feb. 23, at Mt. Abram, and Thursday, Feb. 24, at Telstar and Hann's Corner.

The meet will bring together long-time rivals Telstar and Livermore High Schools, two of the top skiing high schools in western Maine. Other schools competing will be Fryeburg Academy (western Maine), along with Central Arundel, Fort Kent, and Madawaska, all from the Northern Division.

Telstar and Livermore appear to be pre-meet favorites based on their season records.

Telstar will bring sophomore Captain Doug Brooks into the jump-off, undefeated during the regular season and at the Western Maine Championships, along with senior Captain Kevin Trisward with only two defeats in either slalom or giant slalom for the entire season. One of the highlights for Kevin was placing in the number one position and defeating several national talent squad skiers at the Western Maine Championships.

Others skiing for Telstar include seniors, Bruce Henley and Dana Hagg; junior, Mike Stecher; sophomores, Levi Brown, Bruce Cummings, Peter Thurston, and Bill Murray; freshmen, Tom Stecher, Rick Mills, Barry Carver, Dennis Farrow and Eric Dombkowski.

WISCASSET/GOULD IN CLASS D MAINE FINAL SATURDAY

Huskies Defeat Rangeley 58-36. The defending Wiscasset and Gould of the Western Maine "D" basketball finals in the Edward Little High Gym at Auburn, 4 p. m. Saturday in the "rubber" duel between the clubs who split regular season decisions.

The Redskins had trouble shaking off stubborn Richmond, 63-57 in Monday night's semi-final opener and the Huskies from Bethel, in the final for the third time in the past four years, had too much experience for Rangeley and took an easy 58-36 decision.

Goled bothered the Lakers with a man-to-man defense at the start and switched to a zone when they took command. Rangeley stayed close but the Huskies pulled off a 12-point run for 9-7 to 19-7 lead in the first period and the "cold" Rangeley shooters never came closer than eight points the rest of the route, it was 32-20 at intermission and 44-30 after three periods.

Shooting figures which speak louder than words follow:

Goled: 21 10 12 11-54
Made 8 4 6 5-23

Rangeley: 19 17 18 21-75
Made 3 5 4 6-15

At the free throw line, Goled made 12 out of 19 and the Lakers, six out of 12. Each club had eight turnovers in the first half.

Sharper outside shooting rattled the Lakers zone. Goled had Charlie Ault (15), and Dave Robinson (14) in double figures and Joey Morton and Kirk Ellis powered the Lakers with 13 and ten points respectively. There were 32 fouls called in the contest, 17 of them on the losers.

S. A. D. 44 SPELLDOWN — Paula Mills, grade 7, Telstar Regional High School, was the winner for the second year in a row in the District 44 Spelldown held at Telstar last Thursday afternoon.

Pamela Barker, grade 8, Telstar, was first runner-up. Miss Helen Varner was bee-master, with awards made by Basil E. Kinney, superintendent of schools.

Judges were Mrs. Frances Gunther, Rodney Abbott and Brian Flynn.

Shown above, left to right, are: Mona Roberts, Andover Elementary School; Kelly Hutchins, grade 6, Crescent Park School; Paula Mills; Paula Barker, Betsey Mills, grade 4, Woodstock Elementary School; Miss Varner.

EXCHANGE STUDENTS at Gould — Six French-speaking exchange students arrived in Bethel this February for six weeks of study at Gould Academy.

The group includes four boys from Ecole Val d'Arly in the French Alps and a French-born brother and sister from Rio de Janeiro, Brazil. The visit of the four from France was arranged through DIDAC, a private French organization which fosters French-American exchange programs.

From left to right, top row, Dominique Salet, Rio de Janeiro; Francois Joive, France; Yves David, France; Curt Drake, recent Gould exchange student to France; front row, Veronique Salet, Rio de Janeiro; Philip Hand, France; Marc Morel, France; Miss Rolland, DIDAC representative.

A number of items were discussed normally including security at the Andover school, service of fire extinguishers, snowmobiles on school property and the district policy on evening transportation. The transportation issue was referred to the policy committee.

Following an executive session the board approved nominations as submitted by Supt. Basil E. Kinney of 46 certified personnel at Telstar Regional High School for the 1973-74 school year. These include the principal, vice principal, librarian, District nurse, and the Director of Co-op Education. Also approved was a partial list of extra duty nominations for the ensuing school year.

OUR APOLOGIES

Due to mechanical trouble early Thursday afternoon, your copy of this week's edition of the "Citizen" may have been tardy in arriving. Our grateful thanks to local friends who enabled us to resume operations so promptly.

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

The Bethel Planning Board is holding a meeting at Telstar Regional High School Feb. 27. There will be guest speakers to discuss the problem of disposing of our solid waste. We have sent notices to adjoining towns and to anyone we felt might be interested. It is hoped the meeting will be well attended.

The town office is accepting applications for a sewage disposal operator. Anyone interested should notify us, in writing in order that we may contact them for interviews. Copies of the job description will be sent to those interested.

Our engineers are working on a user-fee schedule for sewer users. It will be based on water consumption as much as possible. There will be a few instances where the town will have to negotiate with the user.

The town office will be open this next Saturday from 9 a. m. to 12 noon. The primary purpose is to provide an opportunity to pay excise taxes.

S. A. D. 44 BOARD MET AT ANDOVER MONDAY NIGHT

The board of directors of S. A. D. 44 met at the Andover Elementary School on Monday evening of this week for a regular session.

The directors accepted the resignation of Willis Spaulding as guidance counselor at Telstar Regional High School, effective not later than March 9. Mr. Spaulding, at Telstar since the beginning of the current school year, is accepting a position with the Maine State Department of Health and Welfare.

A number of items were discussed normally including security at the Andover school, service of fire extinguishers, snowmobiles on school property and the district policy on evening transportation. The transportation issue was referred to the policy committee.

Following an executive session the board approved nominations as submitted by Supt. Basil E. Kinney of 46 certified personnel at Telstar Regional High School for the 1973-74 school year. These include the principal, vice principal, librarian, District nurse, and the Director of Co-op Education. Also approved was a partial list of extra duty nominations for the ensuing school year.

The superintendent informed the board that Mrs. Nancy Chadbourne had indicated to him that, because of personal reasons, she did not wish to be renominated for the ensuing school year.

Mr. Kinney also told the board that Mrs. Marjorie Brown had indicated to him that she did not wish to be renominated for the ensuing school year.

SMALL VOTER TURN-OUT AT S. A. D. 44 MEETING TUESDAY

—BUDGET APPROVED 65-14

With 79 ballots being cast, S. A. D. #44 voters by a margin of 65 to 14, approved total expenditures (operating and capital) of \$1,899,190.52 for the July 1, 1973-June 30, 1974 fiscal year, at a meeting at Telstar Regional High School on Tuesday evening. Estimated receipts will reduce the gross figure to a net budget of \$966,592.71 to be assessed to the district's municipalities.

In view of the continual annual increase of the gross budget, and the fact of other large expenditures facing the Bethel taxpayers, Tim Carter sought to amend the motion to approve the budget as presented. His motion to reduce the net budget request to \$915,000 failed to receive a second.

Dexter Stowell of Bethel served as moderator of the 58-minute annual session.

The breakdown of the \$966,592.71 by towns and their quarterly assessments is as follows:

Fiscal year	Quarterly	Assess.
74		
Andover	\$334,021.37	\$83,731.09
Bethel	333,483.92	83,579.74

Mr. and Mrs. William Kichon and daughter, Donna, of Woburn, Mass., were overnight guests of her mother, Mrs. Hilda Donahue, Thursday night. They and Mrs. Donahue attended the funeral of Robert Herzog in Woburn on Friday.

The board determined that their next meeting would be on Tuesday, March 6, as the regular first Monday date would conflict with the majority of the town meetings of the district's municipalities.

**NEW LAW UPS SOCIAL SECURITY
FOR MILITARY DUTY AFTER**
Starting in January, people who
were on active duty with the armed
forces anytime from 1957 through
1967 will get added social security
credit, according to John M. Be-
lleville, social security district manager
Lewiston. Men and women in mil-
itary service in 1968 or after can
also gain additional credits.

As a result of a change in
social security law, Beale said
wage credits of \$300 are granted
each quarter-year of active mil-
itary service performed in this 11-
month period. Similar social security
credit is already provided for mil-
itary service after 1967, but at any
three levels according to the base
pay. These levels have been \$200,
\$250, and \$300 for three months, \$200
for six months, \$250 for nine months,
and \$300 for 12 months.

Monthly social security payments
to retired and disabled workers and
their families—and to the families
of deceased workers—are based on
average earnings over a period of
36 months.

Social security benefits paid
some people have been low because
they were partly based on low mil-
itary earnings since 1957, when ad-
ditional military wage credits were
previously provided or provided
at a lower rate. Under the new law
about 130,000 social security bene-
ficiaries will be entitled to higher
social security payments.

"People now getting benefits
think they may be eligible for higher
payments because of the new
wage credits, should contact a
social security office," he said.
These would be beneficiaries whose
social security rights were based
wholly or partly on military ser-
vice after 1957, and would include
retired or disabled persons, the
family members and survivors of
deceased individuals.

GOULD THIS WEEK

This week was a fine week for students at Gould Academy. The Boys' Varsity Basketball Team showed two days' glory to the Maine State Finals. And the Girls' Varsity Basketball Team finished out a perfect season, taking first place on Tuesday at the Maine State Class A Finals.

The Hawks beat Boothbay in a tough game on Saturday, 61-47, and then two nights later downed a favored Rangeley team 52-35 in the Western Maine semifinals. The team victories now take the Gould players to the Western Maine playoff at Edward Little High School in Auburn, where they will meet top-ranked Wiscasset High. This match is scheduled for 4 p. m. Saturday. Winner of the game will play in the State Finals next week.

The Academy has also excelled in winter outdoor sports. The Girls' Ski Team placed first among five teams at the Class A State Finals at Kears Hill on Tuesday. Kristin Wieso of Bethel skied outstandingly, taking first place in the giant slalom alpine event. Other Gould skiers placed fifth, sixth and seventh. In the slalom event, Debbie Butler placed second and other skiers placed third, fourth and fifth.

Earlier this season, in January, the Girls' Team placed first in the New England Championship at St. Johnsbury, Vt., in which they skied against schools from Massachusetts, Vermont, New Hampshire and Maine. Last week, the team also took first place at the Rumford Carnival, against a field of six teams. At that meet, Kristin Wieso won both the slalom and giant slalom events.

In noncompetitive winter sports, Gould continues to forge ahead with its experimental environmental curriculum program. This past week several students from Weymouth High School came to Gould to observe the program and to see the school's new building. The program director, Alvin Barth, Gould administrator, hopes the idea will catch on at Weymouth and other public schools in Maine searching for new ways of involving their students in educational experiences beyond the traditional classroom.

Several special events are planned for the next couple of weeks:

On Tuesday, Feb. 27, Margaret Joy Tibbets, former Ambassador to Norway and Gould Trustee, will speak to students and faculty in Bangham Auditorium. The subject: America's foreign service program. The Academy will stage its long-awaited production of "HMS Pinfore" by Gilbert and Sullivan on Friday night, March 2, time to be announced.

Finally the Maine Macque Theatre will present a special performance of "The Fantastiques" a highly successful musical from the early sixties in Bangham Auditorium on Friday, March 9. The public is cordially invited and admission is free.

The condensed schedule of coming events this week is as follows:

Friday, Feb. 23: Boys' Varsity Basketball, Western Maine Class D Finals, Wiscasset away at Edward Little High School, Auburn, 4 p. m.

Tuesday, Feb. 27: Margaret Joy Tibbets, former Ambassador to

CLASS OF 1902, GOULD'S ACAD- EMY — The late Lucie Morse Swain was a member of this class. Can anyone name some more?

— Mrs. Arline Bernier, Corres. —

We extend sympathy to the David Enman family. Dave was a resident of Upton for several years and a member of the Union Church.

Mr. and Mrs. Bill Taylor, James George and friends, Floyd Staples' family and several guests at Arthur Thompson's were among the many who enjoyed the holiday week end in town.

Larry Wade called on friends, leaving Valentines for some of the younger ones Saturday.

Fred and Mrs. Mae attended the Ice Follies in Boston Saturday.

Most of the camps were occupied at some time over the week end. Snowmobiling was widely enjoyed.

Mary LaCombe has been enjoying daily visits from a fox.

The senior citizen bus went to South Paris so the passengers could visit the Maine Cottage. Some of the Group were taking their first trip on the bus.

CARD OF THANKS

I wish to thank the Chamber of Commerce, Sunri Ski Shop, Clukey's Pharmacy and the people who supported me as candidate for Carnival Queen.

CO-OP CORNER

by Suzi Redman

Anne Dolloff, a Teistar junior nurse aide at Ledgeview Nursing Home in West Paris. She has worked since September from 7:30 a. m. to 3:30 p. m. on Fridays and Saturdays.

Anne helps bathe, dress, and feed the patients, and run errands for those who are unable to help themselves. The nurse aides visit with the patients and encourage them to join in the activities planned at the Nursing Home.

This is Anne's first real job, and she enjoys it. She plans to be part of Co-op next year, and that she may participate in a program similar to this year's at Bangford Community Hospital then. After she graduates, she wants to continue school and become an R. N.

Anne thinks that the Co-operative Education idea is great. She says that it "Gives experience in what you want to do. By being a part of a program while you're still in school it's not too late to change your mind if you don't like the work."

N. R. C. STRONGLY BACKS

WILDERNESS AREA
IN EVANS NOTCH REGION

The Natural Resources Council has unanimously voted to support the creation of a wilderness area in the Evans Notch District of the White Mountain National Forest in Maine. It was announced this week by Charles G. Bolte, Executive Secretary. He said, "The Board of Directors at the February Board meeting voted to support the playing of the Speckled-Caribou region of the White Mountain National Forest in the Wilderness system as proposed by Senator Jackson in the Omnibus Wilderness Bill (S. 317), and the establishment of other wilderness areas in New England."

Mr. Bolte explained that the wilderness bill would establish 28 wilderness areas in national forests east of the Rocky Mountains, a total of 471,166 acres. "Wilderness status," he said, "would close areas to logging, road building and other development, while protecting it for hikers, campers, and sportsmen."

"The Maine section," he said, "is located east of Route 113 between Gilead and Fryeburg and represents 12,000 acres." Bolte explained that under the Wilderness Act of 1964, proposed areas for wilderness must be on publicly owned land. "In Maine," he said, "only the Moosehorn National Wildlife Refuge, Acadia National Park and the small section of the White Mountain National Forest which is in Maine would qualify." These areas are administered by the Department of the Interior, he added.

Mr. Bolte further stated that the Natural Resources Council's position was to be included in the testimony to be given at public hearings before the U. S. Interior Committee in Washington on Feb. 21.

The Natural Resources Council represents almost 100 affiliated organizations and over 250 individual members. He added that several organizations in Maine had already strongly endorsed this proposal in the Maine Regional Group of the Sierra Club and the Maine Chapter of the Appalachian Mountain Club, but stressed that to ensure

LOCKE MILLS NATIVE ACTIVE

IN CUMBERLAND COUNTY
MUSIC CIRCLES

Eighteen years in music and James R. Bennett, a Locke Mills native, is directing the orchestra and choir in the Lyric Theater production of "Hello Dolly" this week at the Theater in South Portland. Mr. Bennett has returned to Maine from Evansville, Ind., where he was band director and instructor of brass instruments at the University of Evansville.

At Evansville he also was assistant conductor and trombonist for the civic theater which performed an outdoor amphitheater, presenting such productions as "Gypsy," "West Side Story," "My Fair Lady" "Carousel."

Mr. Bennett also was a member of "The Savoyards," which produced many Gilbert and Sullivan operettas, director of the Tri-State Concert Band of 50 professional musicians which presented a summer concert series, principal trombonist with the Evansville Philharmonic Orchestra and the Evansville Brass Quintet and soloist with numerous midwest college and high school bands.

In addition, he formed a 10-member rock music group which traveled throughout the region, recruiting students for the university.

Mr. Bennett is now supervisor of music and instructor of instrumental music for S. A. D. 6 which includes Standish, Limington, Buxton and Hollis.

Mr. and Mrs. Bennett, the former Julia R. Brown of Bethel, and three year old daughter, Leslie, are living in Westbrook.

Leo Hicks recently returned from a few days visit with his mother in Brownfield.

Tom Gwinn, Milford, Conn., and Mrs. Rhonda Parker, Devon, Conn., spent a few days this week with her grandparents, Mr. and Mrs. Ronald Stevens. Kim and Mitch Parker are spending the week here.

passage, much support will be necessary from the citizens of Maine.

GOLDEN AGE PASSPORTS

ISSUED FREE FOR USE
ON NATIONAL FORESTS

Golden Age Passports, offering reduced rates at National Forest Recreational Areas, are now available for persons 62 years of age or older.

Bob Tyrrel, Forest Supervisor of the White Mountain National Forest, has announced that Forest Service offices will be issuing these Passports. Supervisor Tyrrel stated, "Forest Service Personnel are issuing Golden Age Passports to any person 62 years of age who appears in person and can show proof of age. The Passports offer free entry to many National Parks and a fifty percent discount on recreation use fees in National Forest and National Parks."

Passports can be obtained by going in person to the Supervisor's Office, White Mountain National Forest, Laconia, N. H., and at District Ranger offices at Littleton, Gorham, Conway, and Plymouth, N. H., and Bethel, Maine.

Golden Age Passports which have been in use for several years are of no benefit on the White Mountain National Forest. The Golden Eagle is good for entrance to National Parks where entrance fees are charged. Restrictions on the use of the Golden Eagle are a result of recent Federal legislation.

Both the Golden Age and Golden Eagle will also be available from major Post Offices throughout the Nation. Revenue collected from the Passport programs will be placed in a special account to be used for outdoor recreation purposes.
